COMMUNITY ADVOCATES DISABILITY ADVOCACY SERVICES

Have you recently been denied benefits on a Social Security disability claim?

Community Advocates Interim Disability Assistance Program may be able to help you. Call 414 -270-2994 for more information.

Community Advocates' Disability Advocacy Services department provides referral, and general advocacy services to individuals with disabilities who are seeking Social Security disability benefits. We also work to ensure that clients have access to the resources and services they need to live in dignity during the appeals process and beyond.

Interim Disability Assistance Program (IDAP) Qualifications

Financial Eligibility

Assets*

Exempt Assets

Homestead

Automobile

\$300.00 Cash value life insurance

**There are no non-exempt assets for IDAP. All countable non-exempt assets are budgeted dollar for dollar against the IDAP grant until liquidated.*

Earned Income

All types of earned income are countable when determining eligibility for the IDAP program. Gross income is budgeted dollar against the IDAP grant.

Unearned Income

All unearned income is countable when determining eligibility for IDAP. Unearned income is budgeted dollar for dollar against the grant.

Required Documents

At the time of the eligibility interview, the following documents should be provided:

- Birth Certificate
- Citizenship Papers
- Marriage Papers
- Proof of Identity
- Current Proof of SSI Application
- Auto Registration
- Checking/Saving Account
- Proof of All Income
- Social Security Card

Provide Information

The application/recipient must provide all other necessary information needed to determine eligibility for IDAP.

Benefits

Milwaukee County sets the amount of the benefits. A single adult is eligible to receive **\$205.00 per month**. A married couple is eligible to receive **\$344.00 monthly**.

CITY OF MILWAUKEE HEALTH DEPARTMENTS

The Milwaukee County Health Departments provide various health programs and services to Milwaukee County residents. Services may include but are not limited to health screenings, maternal and infant health, pregnancy screening, immunization clinics, tuberculosis (TB) testing, HIV/ STD testing, lead screening and blood pressure screening. Services may vary at different locations. Contact your local health department for more information.
