

# PENNY WAR CHALLENGE!

November 26<sup>th</sup> – 30<sup>th</sup>, 2018

All proceeds benefit:

COMMUNITY ADVOCATES  
Where Meeting Basic Needs Inspires Hope

How it works.

Fill your team's container with pennies. Each penny equals 1 point. Fill your competitor's container with non-penny coins and bills, which count as negative points. If you sneak a \$1 bill into your competitor's container that will negate 100 pennies/points from their overall total. The team with the most points wins. Feel great knowing that all pennies, silver coins, and bills collected will be donated to Community Advocates to provide housing, utility assistance, disability and mental health advocacy, addiction treatment, and domestic violence services for low-income, vulnerable individuals and families. **Last year, Community Advocates touched the lives of 69,434 people!** Thank you for participating and helping to improve the lives of our neighbors in need!
